Course Evaluation:

Answer the following questions as specifically and honestly as you can (please print legibly).

1. Do you think that this course has made a difference in your ability to interact effectively with a dying patient. Why or why not?

2. What characteristic of the material presented in the text was the most helpful to your learning?

3. What is the most important insight you had while learning this material?

4. What area of thanatology are you the most interested in learning more about?

(Optional) Please add any additional comments or questions. If I am able to answer your question, it will be included with your certificate of completion.
